21. Support & Update

INSTALLATION

2.1 Installation Details

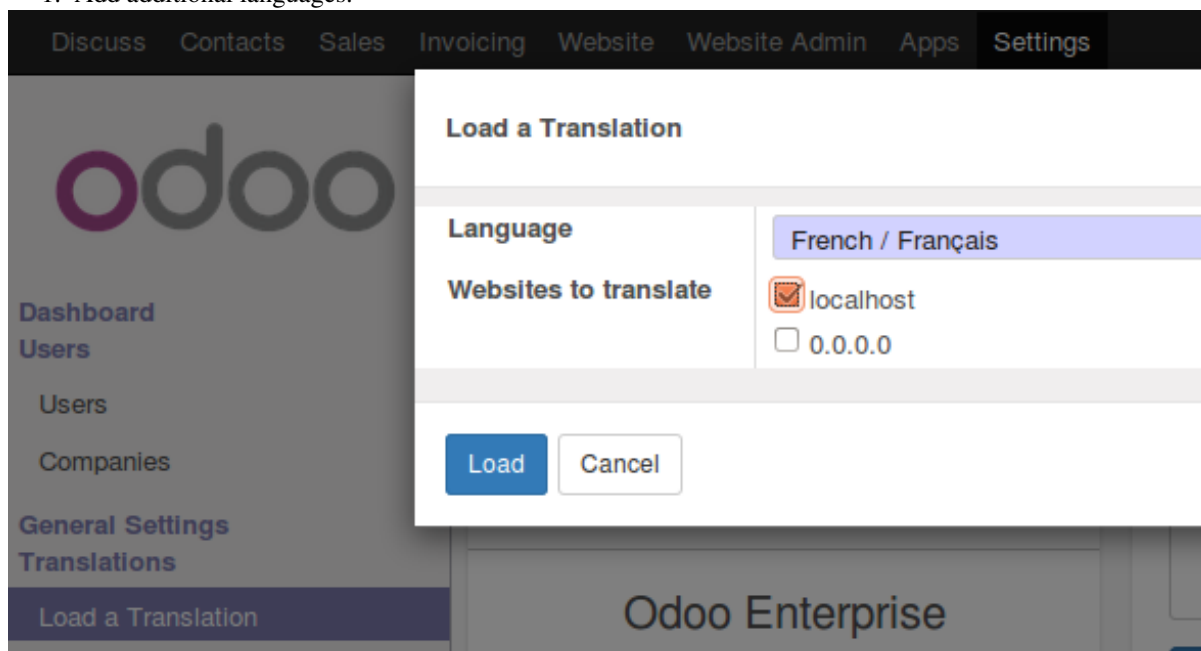

Install theme just like any other Odoo module, there is no special dependency or installation procedure for the same.

LANGUAGE CONFIGURATION

3.1 Configure language

In case you wish to enable multiple languages for your store

1. Add additional languages.

2. Add flag or icon representing that language.

Languages / French / Français

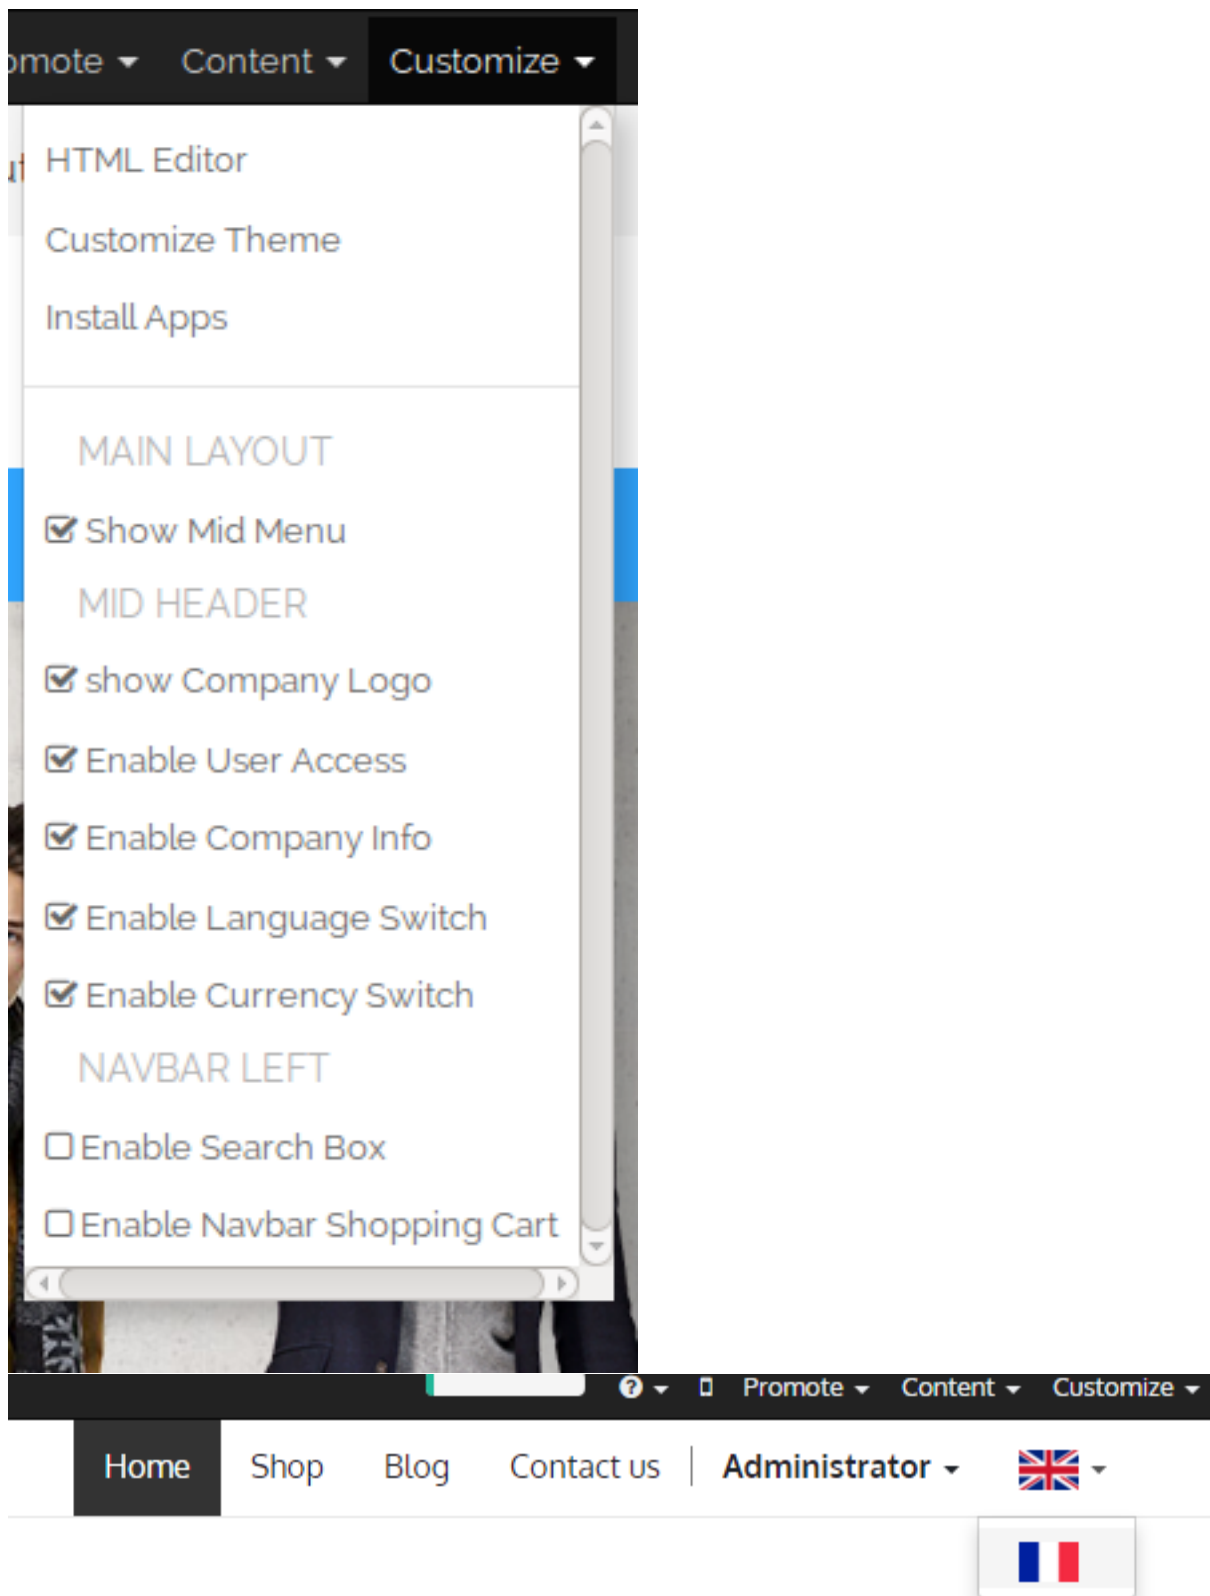

EditCreate

Action ▾

Name	French / Français		Locale Code	fr_FR	ISO code
Separator Format	[]		Date Format	%m/%d/%Y	Time Format
Direction	Left-to-Right		Decimal Separator	.	Thousands Sep
Active	<input checked="" type="checkbox"/>		Translatable	<input checked="" type="checkbox"/>	
Language Flag	<div><div></div><div></div></div>				

Legends for supported Date and Time Formats

3. Make language selection visible on home page

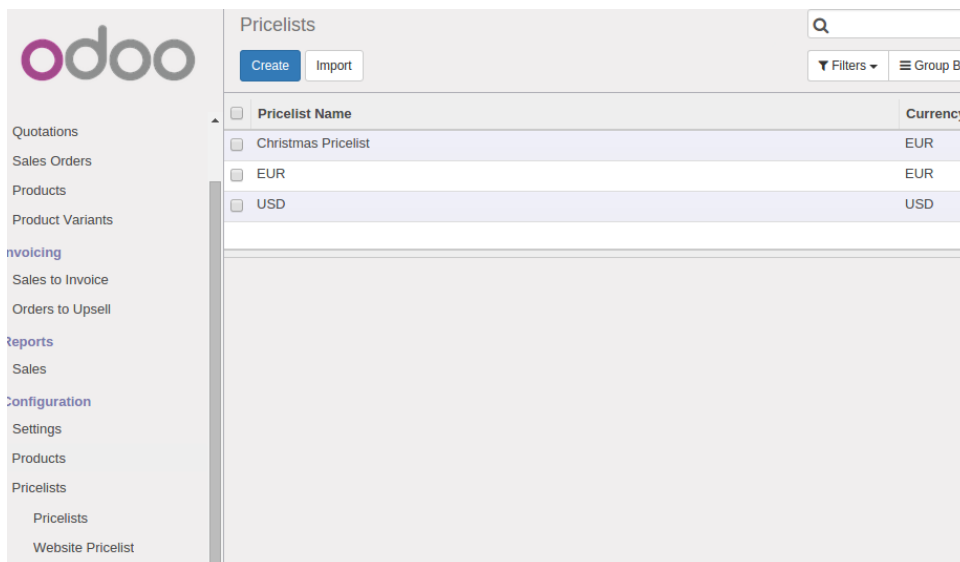

CURRENCY CONFIGURATION

4.1 Configure Currency

In case you wish to enable multiple currencies for your store

1. Create Price List.

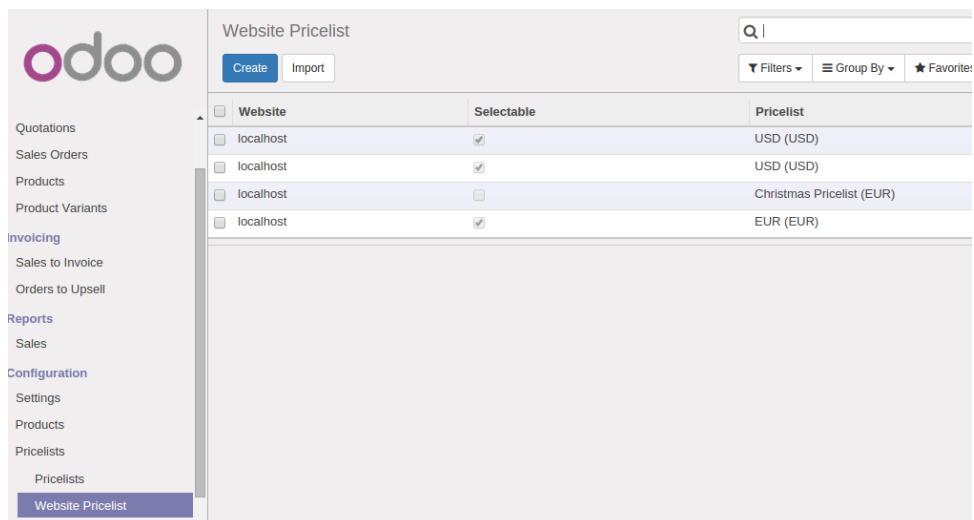

The screenshot displays the Odoo Pricelists management interface. On the left is a sidebar menu with various business modules. The main area is titled 'Pricelists' and includes a search bar, 'Create' and 'Import' buttons, and options for filters and grouping. A table lists existing pricelists:

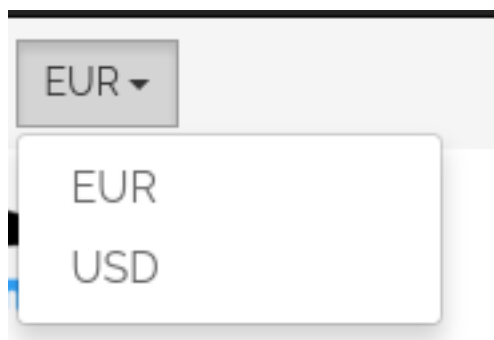

<input type="checkbox"/>	Pricelist Name	Currency
<input type="checkbox"/>	Christmas Pricelist	EUR
<input type="checkbox"/>	EUR	EUR
<input type="checkbox"/>	USD	USD

The sidebar menu includes: Quotations, Sales Orders, Products, Product Variants, Invoicing, Sales to Invoice, Orders to Upsell, Reports, Sales, Configuration, Settings, Products, Pricelists, and Website Pricelist.

2. Create Website Price List.

3. Make sure pricelist is selectable on website

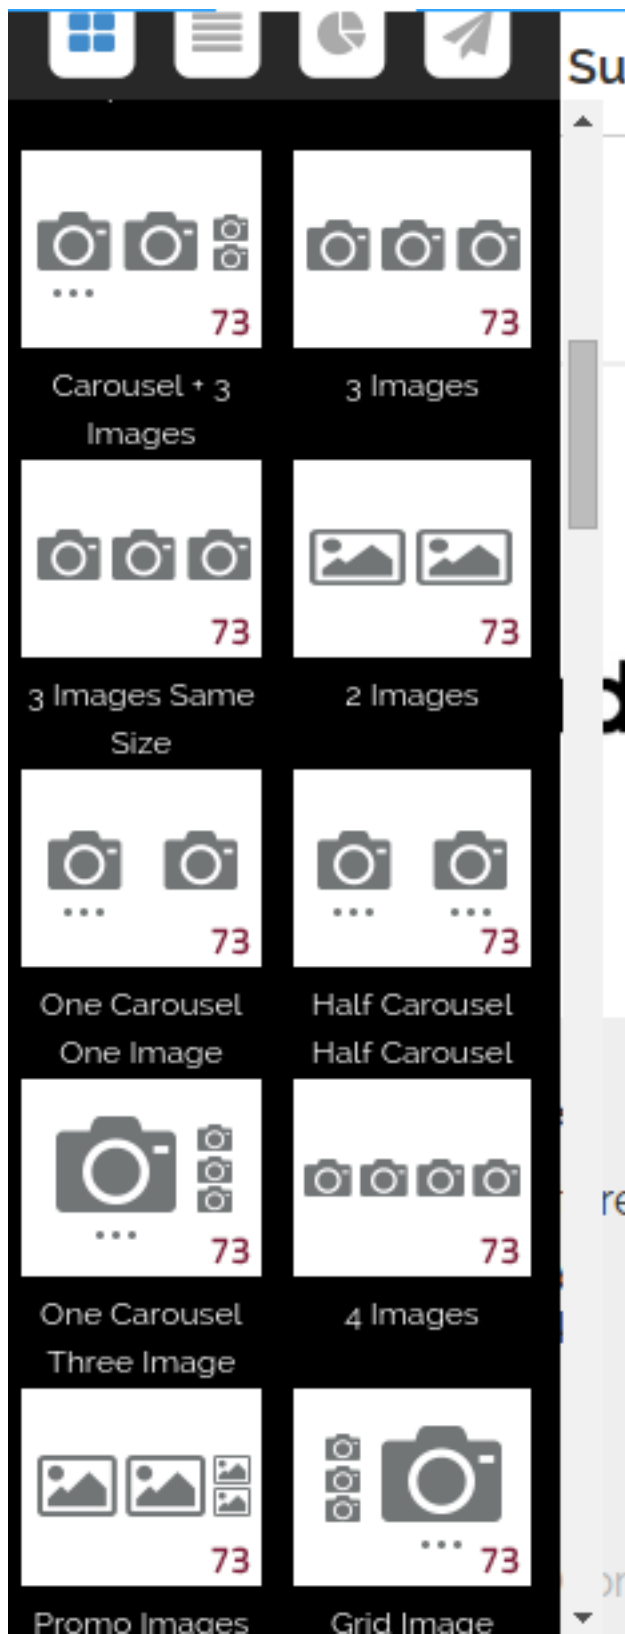

LAYOUT CONFIGURATION

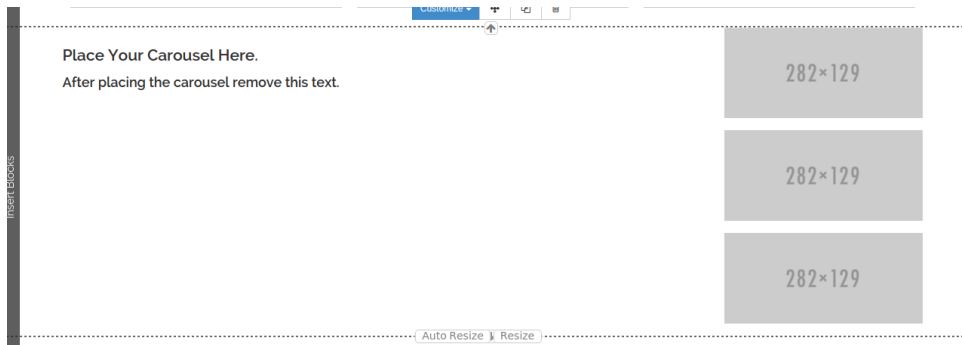

5.1 Layout Details

There are number of flexible layout options available with this theme

1. Select the layout you wish to add to your page

2. Drag and Drop the Layout.

3. Set the content you wish to have.

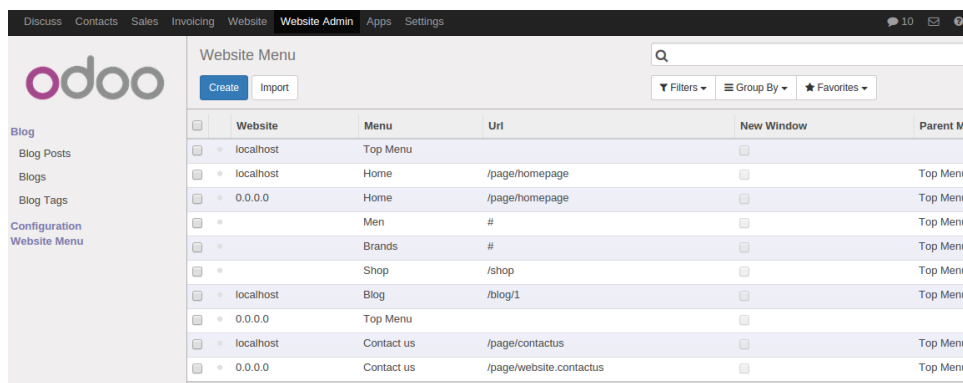

MENU CONFIGURATION

6.1 Menu Configuration

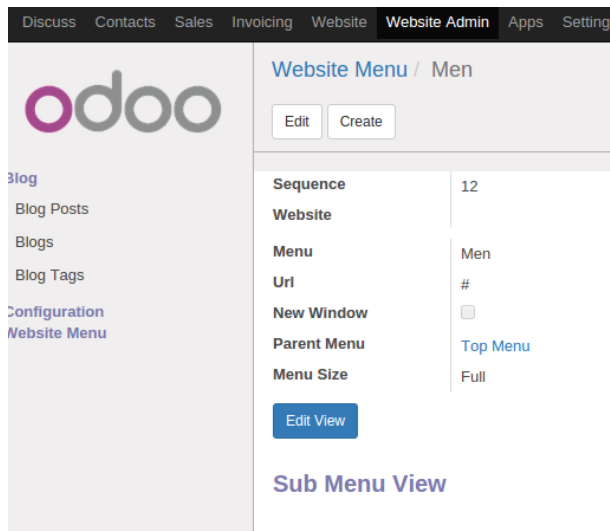

Mega menu of this theme is fully configurable, you can just drag and drop elements that you wish in your menu design.

1. Go to *Website Admin* → *Website Menu*

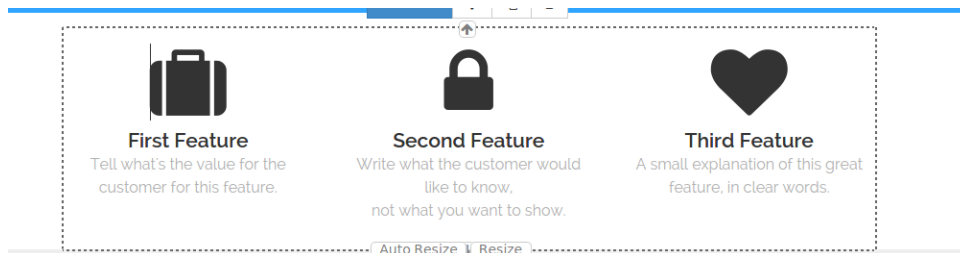

2. Select the menu you wish to edit, Menu comes with 4 different size options.
 - (a) Default
 - (b) Full – It will create a Full Width Mega Menu (12 Columns)
 - (c) Medium – It will create a Medium Width Mega Menu (8 Columns)
 - (d) Small – It will create a Small Width Mega Menu (4 Columns)

Hint: To Edit menu, click on “Edit View” button, it will open menu in Odoo’s front end for drag and drop based editing.

3. Set the content you wish to have in menu and save. You can edit html code from backend as well.

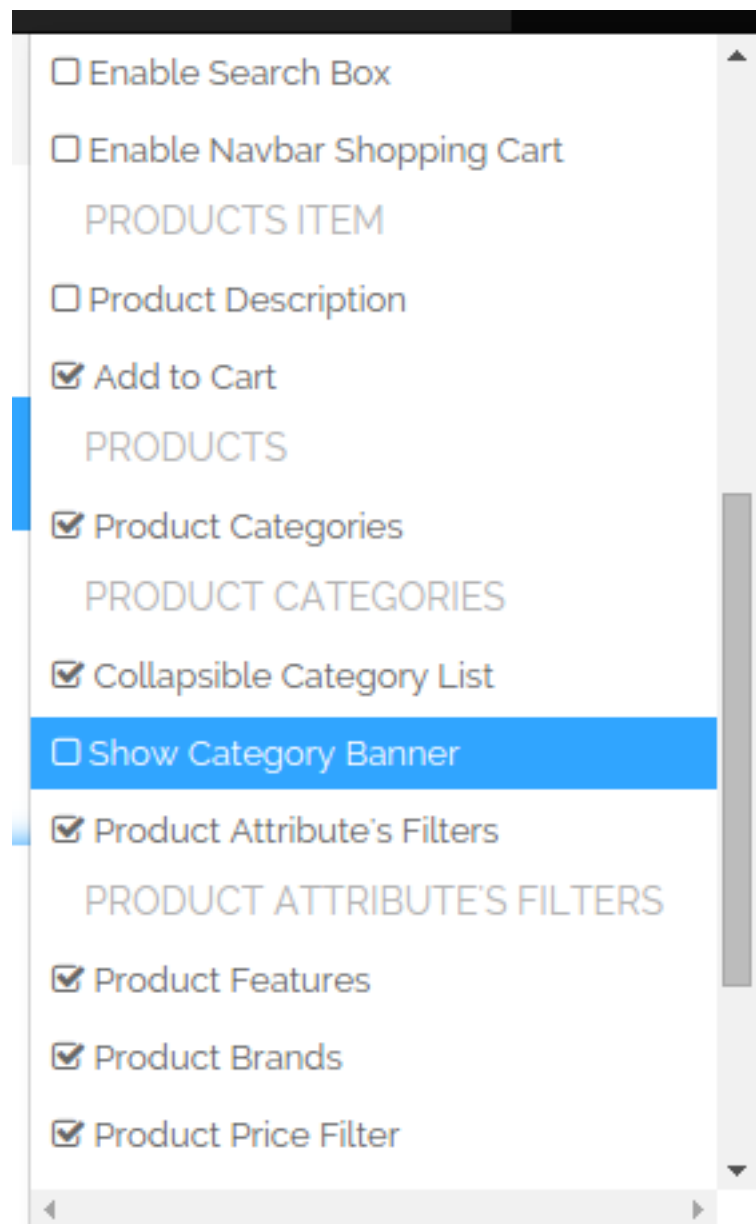

CATEGORY BANNER

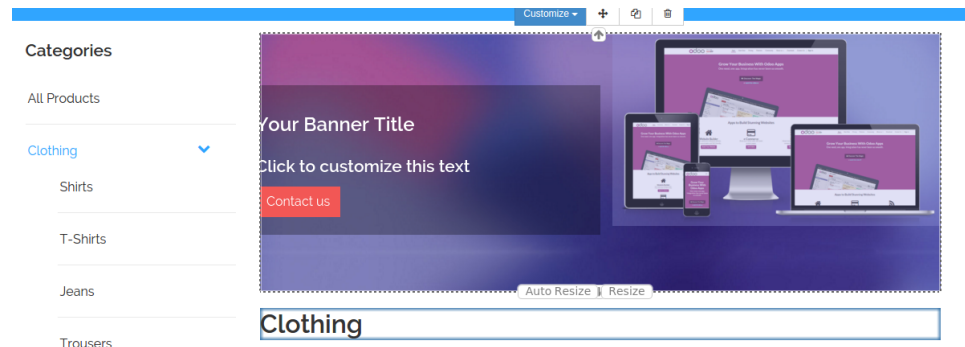

7.1 Category Banner Configuraton

To enable Banner at the top of every category in shop,

1. Enable Category Banner From Shop.

2. Drag and Drop Banner Content that you wish.

Final Carousel

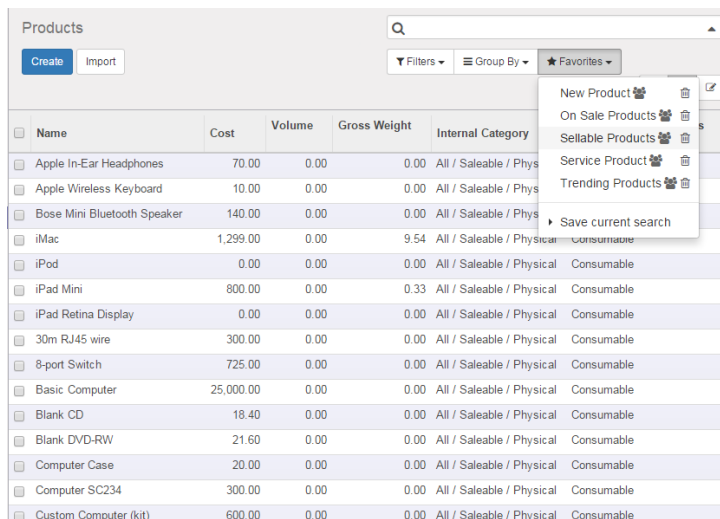

PRODUCT CAROUSEL

10.1 Product Carousel

Create a dynamic carousel from the records of Product

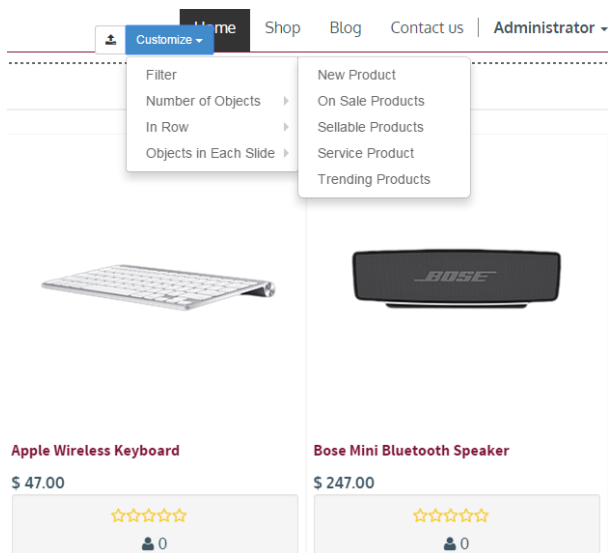

1. Create a filter of your choice from Product List View

The screenshot shows the 'Products' list view in a software application. At the top, there is a search bar and buttons for 'Create' and 'Import'. Below these are filters and a 'Group By' dropdown. A table lists various products with columns for Name, Cost, Volume, Gross Weight, and Internal Category. A context menu is open over the table, showing options like 'New Product', 'On Sale Products', 'Sellable Products', 'Service Product', 'Trending Products', and 'Save current search'.

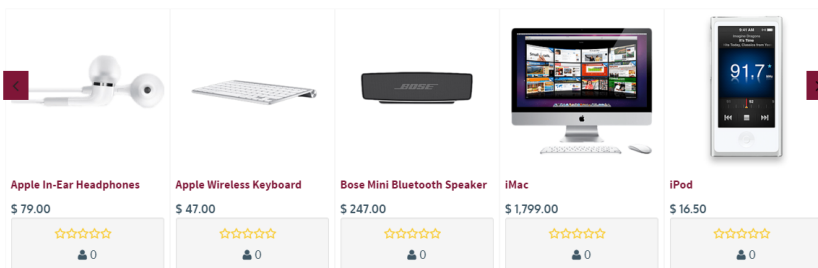

<input type="checkbox"/>	Name	Cost	Volume	Gross Weight	Internal Category
<input type="checkbox"/>	Apple In-Ear Headphones	70.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Apple Wireless Keyboard	10.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Bose Mini Bluetooth Speaker	140.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	iMac	1,299.00	0.00	9.54	All / Saleable / Physical
<input type="checkbox"/>	iPod	0.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	iPad Mini	800.00	0.00	0.33	All / Saleable / Physical
<input type="checkbox"/>	iPad Retina Display	0.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	30m RJ45 wire	300.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	8-port Switch	725.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Basic Computer	25,000.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Blank CD	18.40	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Blank DVD-RW	21.60	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Computer Case	20.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Computer SC234	300.00	0.00	0.00	All / Saleable / Physical
<input type="checkbox"/>	Custom Computer (kit)	600.00	0.00	0.00	All / Saleable / Physical
